Dear [ ]:

I received your registered letter from Sept. 13,  
with the two money orders included.

I thank you very much for everything.

The payment for the telephone bill I sent today.

I return to you the receipts with my signature.

I wrote a letter to my friend in Calif., but have  
not received an answer yet. I told my friend  
exactly as you said, that I am going to N.Y. for  
some sports business, and at this time I would  
like to meet the gentleman.

I am happy to hear, that I did not flunk  
the quarterback's.

About the citizenship I would like to say this:  
because in order to advance in my professional  
field it will be necessary to apply for U.S. citi-  
zenship. To obtain this there are some certain strong  
rules, of which I do not have a complete knowledge;  
what I hear about that a normal way is 5 years  
and in some categories after 3 years. I do not know  
if this is true.

I would like to start with the first procedures  
as soon as it will be possible. [ ]

If you could tell me some indications, I would be glad to hear from you.

All my family is fine, and my jobs at the University is in full speed.

Besides I can tell you, that Furi's was selected to join the Chilean national track Team to compete in Madrid for the Iberoamerican Track Games Sept. 7 - Sept. 15.

He will leave Denver for N.Y. and Madrid in the first days of October.

Thanks again for all

yours truly
